

BOARDING POLICIES

1. **Flea Policy:** All boarding pets must be free of fleas. If your pet has fleas, they will receive a bath and a flea preventative may also be applied. The additional charges will be added to the final bill.

2. **Vaccination Policy:** To insure the protection of all pets under our care, the following vaccines **must** be up to date:

Dogs: Da2ppv (Distemper/Parvo)
 Bordetella (Kennel Cough)
 Rabies

Cats: Rabies [Required]
 FVRCP (Distemper) [Recommended]

If my pet is not current on all above vaccinations, I give my permission for Hambrick Animal Clinic to update the vaccination(s) in accordance with the above policy. I understand a vaccination fee will be added to my final bill.

3. **Medical Illness Policy:** One of the advantages of boarding your pet at Hambrick Animal Clinic is that veterinary attention is readily available should the need arise. If your pet becomes ill, we will call the emergency number(s) listed regarding your pets symptoms, treatment options, and estimate of additional charges. If no one can be reached, we will perform whatever services the doctor deems necessary for the best care for your pet until someone can be reached. This includes only non-elective treatments and any necessary diagnostics.
